After ten days, thousands of small red pimples formed. On becoming dry, these caused intense itching. I was advised to go to the hospital for diseases of the skin. I did so and was an out-patient for a month or more, the chief surgeon saying. I never saw such a bad case of e-zema. But I got little or no retief. Then I tried many so-called remedies, but I became so bad that I almost gave up in despair. On coming to this country I heard so many accounts of cures by Cutidespair. On coming to this country I heard so many accounts of cares by Cuticura Remedies that I resolved, as a last resource, to give them a trial. This was after suffering agonies for twelve months, and right glad am I that I did so, for I was relieved of the almost unbearable itching after two or three applications of Cuticura Ointment. I continued its use, combined with a liberal use of Cuticura Soap and Cuticura Resolvent Pills and am more than thankful to say that after using three sets of the Remedies, I was completely cured.
